DETAILED ACTION

This communication is in response to the decision rendered by the Board of Patent Appeals and Interferences issued on June 10, 2005.

- Claims 22-24 are allowed.

ALLOWABLE SUBJECT MATTER

Claims 22-24 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance as ordered by the BPAI:

The closest prior art of record is U.S. Patent No. 5,794,210 to Goldhaber et al. and U.S. Patent No. 5,987,440 to O'Neil et al.

As the rendering of the decision by the Board of Patent Appeals and Interferences on 10 June 2005 states, the closest prior art of record Goldhaber et al., do not disclose "transmitting purchase data relating to first and second consumers' orders that has been combined and anonymized to at least one merchant" as recited in independent claim 22.

Furthermore, as per the Board's decision, neither Goldhaber individually nor in combination with O'Neill "render obvious the limitations of anonymizing the purchase data from the first and second consumers' orders into anonymous data, wherein the combining and anonymizing steps are performed independently of any input from the first or second consumers and transmitting the anonymous data to at least one merchant."

The relevant portion of the claim 22 as indicated above recites: "...combining the first consumer's purchase data with the second consumer's purchase data; anonymizing the purchase data from the first and second consumers' orders into anonymous data; and transmitting the

anonymous data to the at least one merchant wherein the combining and anonymizing steps are performed independently of any input from the first or second consumer.”

As per the Board’s decision, method claims 23 and 24 are dependent upon claim 22 and are allowable as indicated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

CONCLUSION
